#### **ELIGIBILITY TO VOTE**

You may vote for the 2017 Hugo Awards and John W. Campbell Award for Best New Writer if you are an Adult Attending, First Worldcon, Youth, or Supporting member of Worldcon 75. Please complete the eligibility section, and remember to sign your ballot.

#### **HOW TO VOTE**

This ballot uses a modified version of the Alternate Vote System, sometimes known as the Instant Runoff Ballot.

- To vote, mark your choices in each category in order of preference: "1" for first place, "2" for second place, and so on.
- You are not required to rank all the finalists in any category, and we recommend that avoid voting in any category in which you are not familiar with a majority of the finalists.
- If you decide not to vote in any given category, leave it blank.
- Note that "No Award" is not an abstention, it means that none of the finalists should be given the award in question.
- When the ballots are counted, all the first place votes will be tabulated.
- If no finalist receives more than half of the votes, the finalist with the fewest first place votes is eliminated, and its votes are transferred to the finalists marked "2" on those ballots.
- This process of elimination continues until one finalist receives more than half of the votes, at which point it becomes the winner (unless the votes are outnumbered by "No Award" votes, under specific conditions described in Section 3.11 of the WSFS Constitution).
- A lower preference is considered only if all the candidates ranked higher have been eliminated.
